

Dog Parkour UK - Elite Explorer (DPUK-EE)

This Title is only open to those who have achieved a Level 4 Title or a Platinum Title.

This Title gives your dog an opportunity to show off their parkour skills in new and exciting places.

This Title is very different as you choose the theme.

You may choose specific places as your theme e.g. dog friendly days out to Castles, Museums, Railways etc.

You may choose specific objects as your theme e.g. objects used for boating, farming etc. or objects that are all the same material e.g plastic, wood etc.

Your dog can demonstrate any of the Level 1, 2, 3, 4 or 5 parkour behaviours.

You may choose to demonstrate a single parkour behaviour or any combination of behaviours.

10 stations required for this Title

All DPUK general rules apply to this new Title e.g '2 feet on' must be done on lead for Level 1 Titles so '2 feet on' must be done on lead for Elite Explorer Titles etc.
